

# How can I make my school a clean and healthy place?

## FIT FOR SCHOOL

**Wash your hands, brush your teeth.**

20 sec.      3 min.

This block contains two illustrations: one of hands being washed under a stream of water, and another of a hand brushing teeth. Below these are three stylized human figures standing under a water tap, with water spraying upwards.

**Refill the water canister.**

The illustration shows a blue plastic water canister being filled with water from a green tap.

**Clean the toilet, refill the water bucket.**

This block features three illustrations: a toilet being scrubbed with a brush, a bucket being filled with water from a tap, and a checklist titled 'Cleaning Schedule' with a pencil.

**Clean the school yard.**

The illustration shows a person sweeping a school yard with a broom. A trash bin is nearby, and a school building with the word 'SCHOOL' is in the background.
