

Transparency Boards

What is a Transparency Board

- Board with information on important school projects and achievement
- Visible to the whole community
- Jointly created by principals, teachers, parents, pupils & community representative

What do we see on the Transparency Board?

- Message of success: the status of projects in your school
- Information that allows the community to see and know what is happening in the school
- Information on how interested people can support the management and education at your school
- The responsible stakeholders with whom communities can engage for exchange of views (principal, Barangay Council, PTA)

1. Transparency is a hallmark of good governance and forms part of the pillars of the ARMM Government and DepEd ARMM reforms. It accompanies the institutionalization of school based management.
2. The Transparency Board is a simple tool for providing basic information on school management issues and disseminating accomplishments and success that foster the positive synergy of community participation and social accountability.
3. DepEd ARMM with technical support from the Deutsche Gesellschaft fuer Internationale Zusammenarbeit (GIZ) – Fit for School Program conducted a pilot testing of Transparency Boards in selected elementary schools through DepEd ARMM Memo 055 Series of 2015
4. The pilot testing has been successful and has positive impact on the undertakings of the selected schools
5. Following the success of the pilot phase, DepEd ARMM would like to upscale the practice of using transparency boards in all its elementary schools.
6. Each school is required to create the transparency board that should contain the following:
 - a. The transparency board shall be entitled as follows:
DepEd ARMM
Transparency Board
(Name of School)

“Matuwid na Pamamahala Tungo sa ARMM na Masagana’t Mapayapa”
